

GIVES PIPES A
recessed LOOK

Mushroom Flange™

patent #5,427,417

THE MUSHROOM FLANGE™ BY PLUMBEREX

finishes off pipes and gives a stylish professional, recessed look to:

- roof drain lines/down spouts
- direct vent water heater lines
- exhaust/vent lines
- overflow lines
- condensation lines
- retaining wall over-flow lines
- weep-hole lines for perimeter walls

Made with durable ABS plastic, the Mushroom Flange™ is also perfect for finishing off side wall vent heaters, which use standard 3" PVC pipes for venting and air intake.

GRATE PREVENTS

- rodents from nesting or entering building
- leaf build-up
- bird nesting
- foreign objects from being stuffed into pipe

INSTALLS EASILY IN MINUTES

Simply cut the pipe 1/4" outside of the wall and glue the flange to the pipe. No need to cut the pipe inside of the wall.

SPECIFICATIONS

For a finished look, furnish and install MUSHROOM FLANGE™ with part # _____ manufactured by PLUMBEREX SPECIALTY PRODUCTS, INC.

part#	size
734	3/4"
720	2"
